Spring into action... and spring clean your home!

The Spring clean is an annual event for many people. Some people love to do it - they enjoy taking time out to get their homes in order - to declutter, tidy up, and have a thorough clean of all those areas we never look at on a regular basis. Others may hate doing it but feel a massive sense of accomplishment when it's done. Spring is a time for new beginnings, and so what better time to have a thorough clean of your home than now? Whether you do it yourself or you need help from a cleaner in Solihull, the end result will be the same - a home you can be proud of.

Start on the inside

If you're up for the challenge of a Spring clean there are just 2 questions to ask yourself. Are you going to roll up your sleeves and tackle it yourself? Or are you going to find a Solihull cleaning company to do the hard work for you?

In a typical Spring clean all surfaces would be dusted; floors mopped or vacuumed; windows, mirrors and light fixtures cleaned; walls, doors, door frames, and skirting boards wiped down.

If you're really going for it here are some extra cleaning tasks you can include:

- Wash your curtains and blinds
- Clean the inside of all your kitchen appliances like the oven, fridge, microwave, washing machine and dishwasher; as well as defrosting and cleaning the freezer
- Flip mattresses over and vacuum them
- Wash bedding and pillows
- Take cushions of the sofa and vacuum underneath
- Remember to clean all those nooks and crannies including under sofas, beds, and cabinets

You might need to enlist some specialist Solihull cleaning companies to help with oven cleaning, upholstery cleaning, and carpet cleaning. We have a list of Solihull cleaning companies who can help: www.hellosolihull.co.uk/

solihull-directory/property-and-home/cleaners/

Don't forget the exterior

Once the inside of your home's spick and span, it's time to consider the exterior appearance of your property. It's more specialist work, often needing specific equipment and being able to access hard-to-reach places and there are many cleaning companies in Solihull who can help you with this.

- **SolClean** specialise in exterior property cleaning in Solihull and can clean your patio, decking, paths, driveway, roof, as well as your gutters and fascia and soffits. Cleaning your roof and gutters will also prevent the build-up of moss and leaves that can cause longer term issues, resulting in potentially costly repairs.
- **Ashford Exterior Solutions** can help you maintain a clean property with their range of jet washing and exterior cleaning services in Solihull. They also offer conservatory cleaning in Solihull, using soft washing techniques to prevent any damage to the glass, seals, or UPVC.
