TikTok Takeover

If you haven't heard of TikTok you've probably been living with the Amish for the past few years.

TikTok is the social media platform which allows users to create short-form

videos up to three minutes long. Users, known as TikTokers, share everything from original music, to lip-synching videos to funny moments and pranks.

The TikTok App Has Been Downloaded 3 billion Times and there are 900 million active users worldwide. During the pandemic when people were quarantining at home, TikTok was a major beneficiary of increased social media use. It was the most downloaded app of 2021, beating Instagram, Facebook, and Snapchat.

TikTok was created by Chinese tech giant ByteDance and released in September 2016 under the name 'Douyin'. Instagram and Facebook are banned in China, so there was an opening for a video-sharing social networking service. When ByteDance acquired Musical.ly - which allowed its users to create and share 15-second lip-sync videos - it merged a lot of the features, and in August 2018 TikTok was born.

TikTok is best known for dance and lip-sync videos, made possible by TikTok's extensive music library, called 'Sounds'. The music is licensed from labels like Sony, Warner and Universal. Recording a video involves selecting the music, which plays through your smartphone's speaker in real-time while you're filming. TikTok's algorithm works out users' tastes and preferences based on how they engage with the app, and whenever a new video is uploaded, the algorithm displays it to a small group of users. If it gets a lot of likes and shares, it will be shown to

more users with similar interests. If it continues to be popular the process repeats and the video might go viral. This can happen whether the creator has hundreds of thousands of followers or just a handful.

Democracy is one of the features that makes TikTok so attractive.

TikTok is now a global platform available in 155 countries. 90% of users access the platform daily and spend just under an hour on the app. Almost half of users are in the 16-24 age bracket and cite the online community as the

best feature. 'Duet' is the main community-building feature. It allows users to record themselves alongside existing TikTok videos in a split-screen format, or they can choose to use just the audio from the original video, which is credited at the bottom of the video as the "Original sound". Tapping on the 'Original sound' icon links you to the original TikTok video, as well as all other TikTok videos using the same 'Original sound'. Users can then respond to, parody or perform alongside other TikTokers, and the videos (which include the TikTok logo and the TikToker's username), can be downloaded and shared to other platforms. It's easy to see why memes and challenges can go viral very quickly on TikTok. The platform also allows users to include links to Instagram pages, YouTube channels and any other social media presence, which makes it straightforward for users to build their brand.

TikTok is hugely popular but social media is a fickle industry and it's difficult to project too far into the future. The popularity of any social media platform depends on whether it can keep users on board and whether corporate controversy gets in the way...just think about Twitter!

Fact or fiction?

Common relationship questions

Dipika Mistry, Legal Director at law firm Shakespeare Martineau in Solihull answers some of the frequently asked questions from couples across the country.

1. We're not married, but we've been together years – will I get 50%?

This is such a common misconception when unmarried couples part ways, but there is no such thing as a 'common law wife/partner'. If you choose not to marry then do consider a living together agreement to protect your best interests and ensure that if you own a home together that your name is included on the deed.

2. Can I get divorced if we have just drifted apart?

Yes – from 6 April 2022 'no fault divorce' has been introduced, which means parting couples no longer have to prove their marriage has irretrievably broken down due to one of the five 'divorce facts': adultery, unreasonable behaviour, desertion, or separation of at least two years or in some cases five years. Instead, they can apply for divorce jointly, without assigning any blame on one party.

3. Do I have to give my engagement ring back if we split?

If you break up with your partner, you may feel a moral obligation to return the ring – however, unless it can be proved that the ring was given conditionally, the law states that it is an absolute gift, meaning you do not have to return it to your ex.

4. Is my prenuptial agreement (pre-nup) legally binding?

No. A pre-nup is not legally binding in English law, however, they are becoming increasingly upheld provided that they are entered into fairly and on a voluntary basis and both parties have received independent legal advice before doing so. Pre-nups do not overrule a court's decision on financial arrangements on divorce but they do carry some influence.

5. I want to get divorced, but I don't want to go to court, what can I do?

Collaborative law is a great option for couples who are amicable and want to avoid going to court. This is where both parties each instruct a collaboratively trained lawyer and work together to find a suitable divorce settlement, including financial and child matters.

Separation and divorce can be highly stressful and emotional, so it's important to have a trusted advisor by your side.

Shakshuka

Shakshuka is a North African and Middle Eastern dish. It makes a wonderful spicy brunch or supper for a cold January day.

Serves: 4 with bread

Cooking time: 30-40 minutes

Ingredients

4 tbsp olive oil
1 onion, finely sliced
1 red pepper, diced
1 green pepper, diced
6 garlic cloves, crushed
2 tsp sweet paprika
½ tsp cumin seeds
½-1 tsp cayenne pepper
800g tinned tomatoes
(use the best quality
you can find)
2 tsp soft brown sugar
1 tbsp lemon juice
4-8 eggs, depending
on hunger
Small bunch of fresh
coriander, roughly chopped

Method

Heat the oil in a large frying pan (with a lid) and add the onion.

Fry gently until golden, then add the peppers and cook until they are soft. Stir in the garlic and spices and cook for another minute or two.

Pour in the tomatoes and mash roughly. Stir in the sugar and lemon juice. Bring to a boil, then turn down the heat and simmer for 20-30 minutes. Taste and season.

Add a little more cayenne if you like your dishes spicier.

Make 4-8 hollows in the sauce and break an eggs gently into each one.

Season lightly, and turn the heat down as low as possible, cover the pan with the lid and cook for about 10 minutes until the eggs are just set.

Sprinkle with coriander and serve with crusty bread.

how to play sudoku

It's simple!

Fill in the grid so that each row, column and 3x3 box, contains the numbers 1 through to 9 with no repetition. You don't need to be a genius. These puzzles use logic alone. Watch out! Sudoku is highly addictive.

a good read

By Natasha Donovan

Normal People

by Sally Rooney

While this is a book written for adults I think older teens will find a lot to relate to. The book follows Marianne and Connell through their angsty, often quite pretentious adolescent years (and who among us wasn't at least a bit pretentious or obnoxious in their teens?) into the complications of early adulthood. Rooney treads a fine line between evoking irritation at two flawed, slightly unlikeable people, while making those flaws and the angst seem so raw and real that as a reader we begin to care about them. The novel is one about relationships and how they are affected by both class and social status. Marianne is a smart girl from an affluent family, but this does not protect her from being socially ostracized at school and emotionally abused at home. Connell on the other hand is from a working-class family and

enjoys an easy popularity. Connell's mother works as a cleaner for Marianne's family, and the teens are drawn to each other and begin a secret sexual relationship, but it falls apart because Connell does not want his friends to find out. By the time they meet again at university, Marianne is the popular one, and Connell is feeling increasingly depressed and isolated. They are once more drawn to each other as they navigate through a world filled with social expectations. Through Marianne and Connell, Rooney examines our need to impress and perform for others in a world that seems to grow ever more connected online, with so many things left unsaid face-to-face. Rooney has created a weird, awkward, compelling novel about weird, awkward, compelling people, who find what they really need, and a lot they don't, in each other. As Marianne spirals into self-destruction and Connell looks for meaning in his life, how far will each of them go to save the other.
